

Dear Parent:

North Lamar is partnering with our local Salvation Army this Christmas season. Our NL families who are in need of assistance have registered with this local agency. With your help, our North Lamar students and their families (as well as those in our surrounding community) will once again be blessed by your generous giving this holiday.

Here's how you can help:

ADOPT an "ANGEL"

Angels will be available for adoption on Thursday, Nov 1st. You can select an angel by going to the Nurse's office at any of the elementary schools, Stone's main office, or the high school's library.

If you want your child to select an "angel", please send a note with them, signed by you, giving your permission.

Please place all UNWRAPPED gifts in a single large trash bag and return to school by Wednesday, November 28th.

DONATE SOCKS AND UNDERWEAR

The Salvation Army is in need of "SOCKS & UNDIES" to distribute along with toys, clothing, and food this holiday season. ALL SIZES can be dropped off at the office of each school campus.

As always, thank you for your assistance and continued support in helping the children in our community to have a wonderful Christmas.
