August 21, 2017

**Dear Parents,**

The Admission, Review, and Dismissal Committee (ARDC) must meet before a student in a Student Success Initiative (SSI) grade is administered the STAAR assessment a second time. The ARDC will determine the manner in which the student will participate in an accelerated instruction program and whether the student will be promoted to the next grade level or retained in their current grade. The ARDC may promote the student to the next grade level if the committee concludes that the student has made sufficient progress in the measurable academic goals contained in the student's Individualized Education Program (IEP). North Lamar Independent School District is not required to provide an additional opportunity for the student to perform satisfactorily on the assessment instrument in order to promote the student.

Should you have questions or concerns, please do not hesitate to contact Tonya Igleheart or Wendi Burton at 903-737-2031.
