# Webinar Series Building Stronger School-Family Partnerships

**FREE**

PARENT COORDINATION  
Network

for **PARENTS**

This two-part webinar series is designed for parents to learn how to use the Right Question School-Family Partnership Strategy to improve communication and engender stronger partnerships with educators.

- Webinars will be from 4:00-5:00 PM.
- Participants who complete each webinar can obtain 1 contact hour and a certificate of attendance.
- Learn from nationally acclaimed speakers:

## Webinar 1: Tuesday, April 9

Learning to Ask the Right Questions  
*Learn how to use the Question Formulation Technique (QFT) to generate your own questions, improve them, and then strategize on how to apply them at parent-teacher conferences, progress report meetings, and any other meetings or communications you have with your child's educators.*

## Webinar 2: Monday, April 29

How to Support, Monitor & Advocate  
*Join us to explore a model for participating more effectively in your child's education. Experience the model through a hands-on activity, learn about three key roles you can play, and then strategize on how you can support, monitor, and advocate further to benefit your child.*

For a description of each webinar and to register visit: [texasparent.org/webinar](http://texasparent.org/webinar).

For assistance, contact Paula Perkins at Region 9 ESC at [paula.perkins@esc9.net](mailto:paula.perkins@esc9.net) or (940) 322-6928.
